## BUNDLED PACKAGES ARE HERE!

**GCEC Telecom is excited to announce its latest set of bundled packages for our residential customers  
Starting at \$29.95 per month**

The **Local Plus Unlimited LD Bundle** for **\$29.95/mo.** is available to qualifying existing or new residential customers. The package includes one residential flat line and unlimited long distance to the lower 48 states all for one low price.

Why try unreliable cell phone or internet based services to talk to friends and loved ones all over the country when you can use the safe, reliable service GCEC Telecom can provide. You won't experience dropped calls associated with cell phones or poor sound quality with internet based services. Whether you call friends across the street or across the country you'll receive the same quality service at the same flat monthly rate!

Our **Local Plus Unlimited LD & DSL** bundle takes our first package a step further. Not only will you receive GCEC's reliable local and unlimited long distance service, but you also get our high speed DSL internet service as well. Local, unlimited long distance and high speed internet all for the low monthly rate of **\$59.95!** You can now surf the net, connect with friends, and stay in touch with loved ones, all for one low flat monthly rate. In today's world these are services you need and now with GCEC Telecom, they are services you can afford!

*These packages do not include taxes, fees and surcharges and are available to residential customers on GCEC Telecom facilities. Other restrictions may apply. Please call our customer service department today for all the details.*
